Practical Guide to correct separate Recycling

PLASTIC

Use the **Yellow** bin

PLASTIC:

Bottles for water, soft drinks oil, juices, etc.

Bottles for detergents, soaps

Tubes for cream, sauces, syrups

Rigid packages for desserts in plastic or styrofoam, transparent boxes, rigid/flexible packages for food-stuffs in general (cold cuts, cheeses, pasta)

Food trays (eggs, ice cream, etc.)

Pots for yoghurt, cream cheese, desserts

Net bags for fruit and vegetables

Containers for the packaging of various products (cosmetics, wet wipes, powdered products)

Plastic bags for food in general (pasta, rice, crisps, sweets, snacks)

Bags for gardening products, for detergents and animal feed

Small packaging plastic

(bottles, toilet paper packaging, etc.)

Styrofoam (if large, reduce the size)

Blister packs and **plastic shaped casings**

Materials for the **protection** and **transportation** of goods (films, bubble wrap)

Remove food leftovers!

Do not wash waste containers! Just remember to empty them well before disposing of them.

Crush plastic bottles and screw the cap on to **reduce their volume**

CAUTION! Always check the **product label** if you have any doubt about correct recycling.

Some of the most common mistakes to avoid:

NO Electronics

Bring to the mobile Household Recycling centre

NO Tetra Pak

Dispose of it in the bin for paper

NO Bioplastics

Dispose of them in the bin for Organic Waste

NO Disposable gloves

Dispose of them in the bin unsorted waste

NO Large plastic items

Bring to the mobile Household Recycling centre

NO Pipes

Bring to the mobile Household Recycling centre

NO Pads

Dispose of them in the unsorted Waste bin or at the Dedicated Service

NO Pens and markers

Dispose of them in the bin for unsorted Waste

NO Toys

If small and without electronic parts, dispose of them in the unsorted waste bin. If large or with electronic parts, bring to the mobile Household Recycling centre

NO packages with hazard symbols:

Bring this waste to the mobile Household Recycling centre so that it can be disposed of with hazardous materials.

GLASS / METAL PACKAGING

Use the **Green** bin

Glass

Bottles, flasks, and glass jars

(steel and aluminium caps must be screwed onto the glass bottle/jar)

Metal

Food boxes and jars

Tin for soft drinks

Tops and screw-on caps

Aluminium trays for food

Aluminium tubes (mayonnaise, creams, etc.)

Aluminium foil (tin foil)

Spray/aerosol cans (only if there are no danger symbols displayed on the packaging: Flame, Skull and X)

Steel and aluminium caps must be screwed to glass bottles and jars.

Some of the most common mistakes to avoid:

NO Mirrors

Dispose of them in unsorted waste

NO Plate glass

Dispose of it in unsorted waste

NO Neon lights

Take them to the mobile Household Recycling centre

NO Ceramics and Pyrex

Dispose of it in unsorted waste

PAPER AND CARDBOARD

Use the **Blue** bin

- Newspapers and magazines
- Brochures and flyers
- Books
- Paper bags
- Pizza boxes
- Paper tablecloths
- Scratchcards
- Tetra Paks (tea, milk, fruit juice cartons)

Break up the boxes!

Crush and fold cardboard boxes to reduce their volume.

What about pizza boxes?

Any pizza leftovers should be disposed of in the Organic bin and the cardboard in the Paper bin. If the base of the box is very greasy or too dirty, then it can be disposed of (only this part) in the organic waste bin, reducing it into small pieces to minimise its volume and the remainder in the Paper bin.

Plastic bags are not paper!

If you collect paper in plastic bags, empty the contents into the blue bin and dispose of the bag in the bin for plastic waste.

Some of the most common mistakes to avoid:

NO Receipts

Dispose of them in the unsorted waste

NO Paper towels

Dispose of it in the Organic Waste bin

NO Packing tape

Dispose of it in the unsorted waste

NO Wax paper

Dispose of them in the unsorted waste

UNSORTED WASTE

Use the **Grey** bin

Unsorted Waste does not mean that you can mix waste avoiding to recycle!

You can only dispose of the **waste that cannot be recycled in this bin.**

Nappies, pull-up pants/ incontinence pads and **mattress protector**, **sanitary towels**
Plastic cutlery
 Rubber and plastic toys
Plastic coffee capsules
 CDs, DVDs
 Objects in **ceramics**, **porcelain**, Pyrex glass and glass-ceramic
Dust from vacuum cleaners or house rubbish
Incandescent lamps

Pens, felt pens and stationery in general
Toothbrushes and sponges
Wax, laminated and **thermal paper** (receipts)
Baking paper, dirty paper and wet wipes
Cigarette butts (extinguished)
Straws
Disposable masks and gloves
 Mirrors and crystal
Crystal glasses

Some of the most common mistakes to avoid:

NO Organic waste

Dispose of them in the Organic Waste bin

NO Paper and cardboard

Dispose of it in the Paper bin

NO Plastic

Dispose of it in the Plastic bin

NO Wood ash

Dispose of them in the Organic Waste bin (*completely cold*)

ORGANIC WASTE

Use the **Brown** bin

- Fruit and vegetables waste
- Meat and fish in small pieces
- Dairy products
- Egg shells
- Grounds of tea and coffee or of other infusion drinks
- Kitchen paper napkins
- Paper handkerchiefs
- Sawdust and wood ash (completely cold and bagged)
- Kitchen absorbent paper (even wet or greasy)
- Leaves and soil
- Mussel and clam shells or other shellfish
- Animal bones, fruit stones
- Biodegradable Plastic and Bioplastics

Close the bag well!
Dispose of the waste only after placing it in biodegradable and/or compostable bags.

Some of the most common mistakes to avoid:

NO Cat litter

Pet litter should generally be made of silicone (or similar) and disposed of with the Unsorted waste unless otherwise specified on the packaging (some litters are biodegradable and/or compostable)

NO Nappies

Dispose of them in the bin for Unsorted Waste

NO Plastic bags

Dispose of organic waste inside biodegradable bags not in plastic bags

MOBILE HOUSEHOLD RECYCLING CENTRE

The Mobile household recycling centre is a natural complement to the sorted waste collection service, providing citizens with a way to dispose of materials that cannot be left in kerbside collection bins due to their size or type.

WHERE AND WHEN:

- Via Cesare Cabras, parking area of the sports facility, compartment 7
- Tuesday and Thursday from 7:00 to 11:30 am

WHAT CAN YOU BRING?

T (skull) and/or F (flame) marked containers; expired medicines; batteries; mixed bulky materials (sofas, armchairs, large plastic objects, mirrors, etc.); bulky FERROUS materials (iron, nets, chairs, iron furniture, etc.); bulky WOODEN materials (disassembled furniture, panels, chairs, etc.); Waste from Electrical and Electronic Equipment - WEEE (refrigerators, freezers, dishwashers, washing machines, air conditioning systems, mobile phones, TVs, PCs, etc.).

Visit our website, www.gesenu.it, and check the calendar to know when you can bring your bulky materials.

SMART RECYCLING CENTRES

Smart recycling centres allow enabled users to easily dispose of plastic, paper/cardboard, organic waste, glass/steel/aluminium and unsorted waste.

WHERE AND WHEN:

1. Via Capo Comino, at the parking area next to the Riu Saliu sports facility;
2. Via Cesare Cabras, at the parking area next to the entrance of the Dionigi Scano high school;
3. Via Nevio, at the parking area next to the oratory of San Giovanni Battista de La Salle church.

This service is active 24/7.

HOW TO DISPOSE OF WASTE:

Enabled users can use the smart recycling centres by swiping the magnetic card that can be collected at the 'Eco-office in Via Giulio Cesare 161/A. This card must be collected by the TARI account holder. However, if they can't go personally for whatever reason, they can delegate a trusted person by submitting a copy of an ID card and the written permission.
